

Dear International School Savremena,
Hereby I would like to share some
spectacular news with you.

After graduating in 2017, I spent
my gap year on an intercultural
internship in Prague. Afterwards I
got accepted to the no. 1 Business
University in Germany - University of
Mannheim, which is where I am
writing from. I would like to thank
you for providing me with knowledge
that enabled me to continue my
education in a successful way.

Best regards
